

Welcome to *Because He Lives*. It's clear from The Bible that many good things flow from worship, the most important being the fact that when we worship, we're actually doing the very thing we were created for. There are several reasons for producing a CD with Bible readings and worship music, but if there's a main one then it's in the title. We hope that this isn't just a CD full of good tunes, but that it'll inspire you in your own worship life. God loves to hear from us, and this is the sound of people focusing on Him. Do join us.

BOCF would like to say a huge thank you to: everyone who has performed and given up their time freely for the project; all those kind souls who have lent us equipment; friends and families who have sacrificed time and energy to make it all happen; all those who have prayed for us; to our Lord and Saviour, Jesus Christ, for making it all worthwhile. Proceeds from the CD will be used for the work and projects of Burnt Oak Christian Fellowship.

Paul Hughes, BOCF Pastor
Russell Stokes, Creative Director of 'Because He Lives'
