

## Stand For You

---

For all You are in my life,  
for all You mean to me;  
for all the ways I've been changed  
I thank You.

For all You've done in my life,  
for all You mean to me;  
for all the ways I've been saved.

And I will tell of Your great mercy shown to me;  
and I will tell of Your great love that set me free.

*Let me stand for You,  
a monument of praise,  
that all may see Your glory;  
that all may see Your grace.  
Let me stand for You  
and tell of all You've done -  
like a city on a hill,  
I'll make my light shine,  
to glorify the One.*

May I be holy in Your sight,  
may I be worthy in Your eyes,  
may I be holy in Your sight.
